Kruunu Herkku's vegetable patties are made from carrot, leek, parsnip and swede. Egg and potato hold them together in a homely way, and we have added feta cheese, which gives the patties a refined flavour. The patties are shaped by hand and baked in the oven until beautifully golden brown. These patties are perfect to serve with mashed potato or between buns. Product is lactose free and gluten free. Kruunu Herkku – hand-cooked food from Juva, with a love for ingredients.
