The traditional minced meat patty gets its flavor from a combination of pork and beef – the beef adds richness while the pork brings juiciness. Onion, spices, and a meat broth prepared according to our chef's own recipe complete the taste, which is both familiar and delightfully full-bodied. When fried, the patty develops a beautifully crispy surface and a juicy inside – just the kind that evokes memories of the traditional home-cooked meal table. The patty is dairy-free and gluten-free. Kruunu Herkku – hand-cooked food from Juva, with a love for ingredients.
